General Instructions

Federal:

Who Must File: All issuers making an offering of securities in reliance on an exemption under Regulation D or Section 4(6), 17 CFR 230.501 et seq. or 15 U.S.C. 77d(6).

When To File: A notice must be filed no later than 15 days after the first sale of securities in the offering. A notice is deemed filed with the U.S. Securities and Exchange Commission (SEC) on the earlier of the date it is received by the SEC at the address given below or, if received at that address after the date on which it is due, on the date it was mailed by United States registered or certified mail to that address.

Where to File: U.S. Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549.

Copies Required: Five (5) copies of this notice must be filed with the SEC, one of which must be manually signed. Any copies not manually signed must be photocopies of the manually signed copy or bear typed or printed signatures.

Information Required: A new filing must contain all information requested. Amendments need only report the name of the issuer and offering, any changes thereto, the information requested in Part C, and any material changes from the information previously supplied in Parts A and B. Part E and the Appendix need not be filed with the SEC.

Filing Fee: There is no federal filing fee.

State:

This notice shall be used to indicate reliance on the Uniform Limited Offering Exemption (ULOE) for sales of securities in those states that have adopted ULOE and that have adopted this form. Issuers relying on the ULOE must file a separate notice with the Securities Administrator in each state where sales are to be, or have been made. If a state requires the payment of a fee as a precondition to the claim for the exemption, a fee in the proper amount shall accompany this form. This notice shall be filed in the appropriate states in accordance with state law. The Appendix to the notice constitutes a part of this notice and must be completed.

ATTENTION

Failure to file notice in the appropriate states will not result in a loss of the federal exemption. Conversely failure to file the appropriate federal notice will not result in a loss of an available state exemption unless such exemption is predicated on the filing of a federal notice.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number

EXHIBIT A

In consideration for its services, the General Partner will receive a management fee payable quarterly and in advance, equal to 0.375% (equivalent to 1.5% annually) of each Limited Partner's share of the Partnership's Net Worth (determined as of the first day of each Fiscal Quarter). A pro rata Management Fee will be charged to Partners on any amounts permitted to be invested during any Fiscal Quarter. No part of the Management Fee will be refunded in the event that a Partner withdraws all or any of the value in the Partner's Capital Account during a Fiscal Quarter. The General Partner may, in its sole discretion, waive all or any portion of the Management Fee with respect to one or more Limited Partners, for any period of time. The General Partner and any Limited Partner may agree to apply a different Management Fee for that Limited Partner.

At the end of each fiscal quarter, the General Partner will be entitled to receive a performance allocation equal to 20% of the portion of the Fund's net income attributable to each Limited Partner as of the close of such fiscal quarter (including net unrealized gains). The General Partner's performance allocation shall not include the value of any securities held in a sub-account, as described below. The General Partner's performance allocation is subject to what is commonly known as a "high water mark" procedure which prevents the General Partner from receiving a performance allocation as to profits that simply restore previous losses and is intended to ensure that each performance allocation is based on the long-term performance of an investment in the Fund. The General Partner shall also receive its performance allocation upon any withdrawal by a Limited Partner, whether voluntary or involuntary, and upon termination of the Fund. The General Partner's performance allocation shall be in addition to the proportionate allocations of income and profits, or losses, to the General Partner based upon its capital account relative to the capital accounts of all Partners.

The Partnership shall pay or reimburse the General Partner for all expenses related to organizing the Partnership, including but not limited to, legal and accounting fees, printing and mailing expenses and government filing fees, all Partnership trading costs and expenses (e.g. brokerage commissions, margin interest, expenses related to short sales and clearing and settlement charges). The Partnership intends to amortize organizational expenses over a period of 60 months from the date the Partnership commences operations because it believes such treatment is more equitable than expensing the entire amount of the Partnership's organizational expenses in the Partnership's first year of operation, as required by generally accepted accounting principles. In addition, the Partnership pays or reimburses the General Partner for all expenses incurred in connection with the offer and sale of Interests, including but not limited to marketing expenses, printing of the Partnership's Memorandum and exhibits thereto, documentation of performance, attendance at industry related events and the admission of Limited Partners, and all operating expenses of the Partnership such as tax preparation fees, governmental fees and taxes, and ongoing legal, accounting and bookkeeping fees and expenses (collectively the "Administrative Expenses") up to a maximum of one (1.0%) percent (or a prorated amount for the Partnership's first and last Fiscal Year and on any amounts permitted to be invested and withdrawn during any Fiscal Year) of the Partnership's Net Worth at the end of its Fiscal Year ("Expense Cap"). To the extent that the Administrative Expenses exceed the Expense Cap in any Fiscal Year, the General Partner shall pay such excess Administrative Expenses either by charging its capital account or by making a direct payment, as determined by the General Partner in its sole discretion.
